Haynes Owner's Registration Form

The William S. Haynes Flute Company is creating an updated registry for our instruments. Our historic record of flute ownership has been kept since 1900 starting with serial number 507. If you own a Haynes flute or piccolo, you may have your name added to our list along the names of famous flutists such as Rampal, Baker, Moyse, Barrere, Pappoutsakis, Macquarre, Sharp, Kaplan, Wummer, Laurent, Rateau and many more.

Please fill out the form below. The information is only for our records. You will also receive news, product information and special promotions which are only available to registered Haynes owners. On no occasion will we share your information with anyone.

Thank you.
